~ *Sadsbury Township Tricentennial* ~

Following the success of our 2016 event, Sadsbury Township's Parks and Recreation Committee is organizing a 2017 Community Day that will tie in to Sadsbury Township's tricentennial. This larger event will be held on September 23, 2017, rain or shine, on the grounds of Gateway Church at 160, Cowan Road. There will be a full schedule of fun-filled activities, demonstrations, and displays that celebrate the township's three hundred year history.

We would like to offer you the opportunity to join us at our 2017 event. We will be dividing vendors into three classes:

1. Food truck vendors
2. Non-food vendors
3. Non-profit organizations

Food truck vendors will be assigned a parking lot space close to the festivities, and will be expected to provide their own utility requirements. Non-food vendors and non-profit organizations will be assigned space under a large canopy, and we can make tables and chairs available to those who require them. We are also able to offer a power outlet to a limited number of those under the canopy on a first come, first served basis. Other slots will be available outside the canopy. Please be aware there may be competing vendors.

If you are interested in joining us for our event, please fill out the associated form and submit it with a check to the township by August 23, 2017. Payments are non-refundable. All slots are awarded on a first come, first served basis. The form is also available to download at <http://parks.sadsburytwp.org/300> as a PDF. Instructions for vendors will be mailed by September 1, and available on the website.
