- Mr Jessey made a motion to adopt the minutes of the previous meeting, seconded by Mr Hensel.

Old business

1. The committee discussed a grant proposal that was prepared by members of the Public Works Department that, if successful, would enable a comprehensive refurbishment of some of the recreational facilities in Bert Reel Park. Before being able to make a recommendation to the Board of Supervisors, the committee would need expert engineering opinion concerning Bert Reel Park, and some of the proposed installations and materials.
2. Mr Hensel reported that sales of tickets for the BBQ event had been extremely disappointing; nevertheless, the event would go ahead on June 9 as planned, with the hope being that some residents would come.
3. Due to the weather and resulting schedule changes that made volunteers unavailable, there was very little Snack Shack activity in May.
4. Mr Hensel reported that *Exit Strategy* had still not committed to perform at the 2018 Community Day. It was thought that the lack of shade may perhaps be an issue.

New business

1. Mr Jessey reported that the township had an exciting plan of upgrades and improvements to its website that would eventually see the Parks and Recreation site fully integrated into it.
2. The committee agreed to make <http://sadsburytwp.org/day> the permanent address for annual community days. Currently, it redirects to <http://parks.sadsburytwp.org/day> but that redirect will be eliminated when the Parks and Recreation site merges with the main site. Mr Jessey is working on content that will be put up soon.
3. Mr Jessey reported he had received approval for the Community Day sponsor and vendor forms, and the committee had already begun receiving vendor bookings. Sponsor forms would be mailed out soon.
4. Mr Jessey presented the committee with some designs for a new, reusable Community Day banner.
5. The committee is beginning to put together a schedule of events for Community Day.

With there being no further business or public comment, the meeting was adjourned at 8:18 P.M.
